

# "Help us...

# Help Others...

This summer St. Vincent Youth Ministry will be traveling once again to Preston County, West Virginia to help renovate homes for those living with the unfortunate circumstances of poverty. This summer, so far, we have over 40 teens and adults signed up to participate in a week-long service project involving painting, digging irrigation ditches, building handicap ramps, re-siding, roofing, etc.

The teens and adults not only do physical labor, but they connect with these people on a level that lets them know that we are one because we are all brothers and sisters in Christ.

## *Help us get to Appalachia!*

Our goal is to raise \$25,000.00 to make a difference in the lives of the families we are called to assist. We are asking your help in donating \$250.00, \$150.00, \$50.00, \$25.00, \$5.00, or whatever amount you are comfortable with. Your donations will "Help Us...Help Others...!"
